

# Mobile Deposit Endorsement Update

At Primary Bank, your financial security is our priority. When endorsing checks for mobile deposit, please include the following:

- **MOBILE DEPOSIT ONLY**
- text in the endorsement area only
- legible, printed or stamped text
- single line of text
- dark ink
- standard font, upper case recommended
- correct orientation (not upside down)
- not overlapping the signature

Image of the check must:

- include all 4 corners
- be clear and in focus

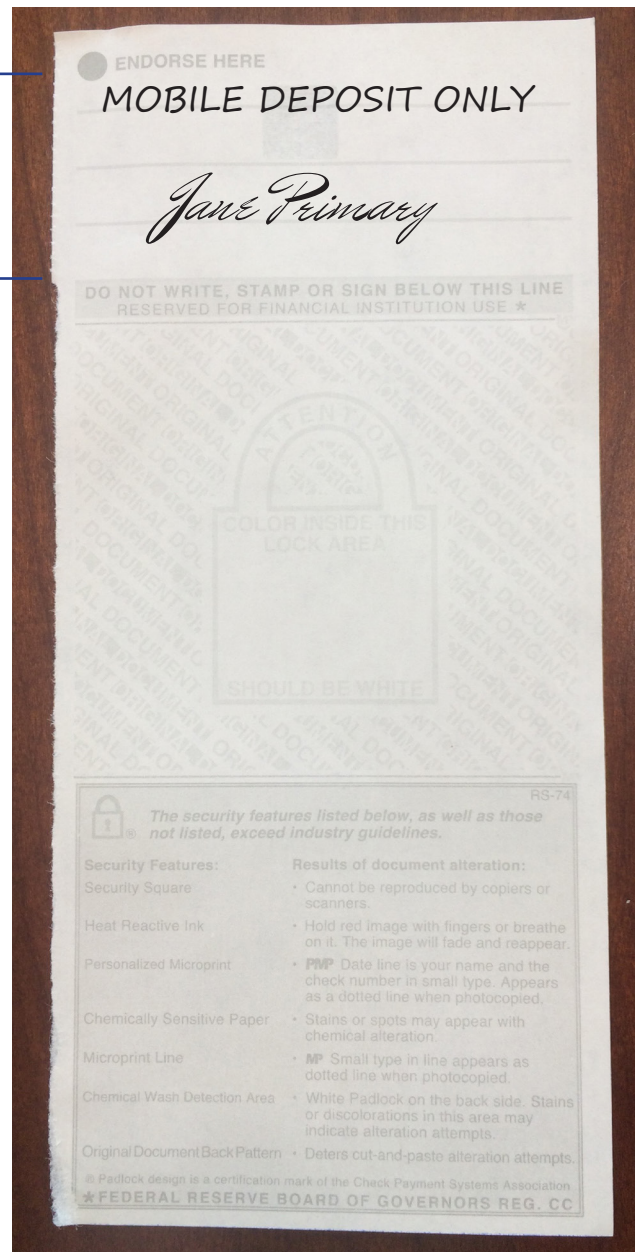

## Why?

A change to the Expedited Funds Availability Act prompted these requirements for mobile deposits at all financial institutions. The goal is to protect your deposit so it cannot be presented at another bank.

## When?

The guidelines above are required **as of August 1, 2018**. Please follow these guidelines to ensure a successful transaction.
