FREE Child ID Kits at Our Annual Safety Event

Primary Bank is teaming up with the NH Child ID Program and the Bedford Fire and Police Departments to help complete your Child's ID Kit on-site for **FREE!** The information in this kit provides invaluable data to law enforcement.

Stop by the Bank on Saturday, September 29, from 10:00 am - 2:00 pm. We'll have fun games, activities, food and prizes!

Small Business Partner - Harbor Group

Harbor Group offers multi-dimensional financial planning and wealth management services to individuals and families as well as small businesses. When looking to build their new corporate headquarters on South River Road, they chose to work with Primary Bank. Our team worked to understand their needs, act

quickly and connect them to other local vendors to streamline the process, saving time and money.

The Convenience of Mobile Banking

We believe that banking should be fast, easy and convenient. With our Mobile Banking App, use your electronic device to:
