Primary Bank's Community Partnerships

Primary Bank partnered with [Boys & Girls Club of Manchester](#) and the [New Hampshire Fisher Cats](#) to recognize Destiny Fernandez for her outstanding accomplishments at the Boys & Girls Club. The Boys & Girls Club brings so much to this community and we identify the importance of working together to highlight the youth and their accomplishments.

Destiny was presented with a signed team ball, team jersey, a check from Primary Bank and she even got to throw out the first pitch. Primary Bank will recognize several other members of the B&G Club this season.

Primary Bank is proud to support the community.
