PRIMARY BANK NAMED HEALTHIEST BANK IN NH FOR THE 2ND YEAR

Bedford, NH, June 20, 2019 – Primary Bank has been named to the 2019 DepositAccounts.com Top 200 list of Healthiest Banks in America. Primary Bank ranked 1st in New Hampshire and New England for 2018 and 2019. This marks the 2nd year in a row that Primary Bank has been in the Top 200 and has achieved an “A+” health rating, ranking it as one of the healthiest FDIC insured banks in the United States.

“We’re proud to have made the list for the 2nd consecutive time,” said President and CEO Bill Stone. “This is an especially important accomplishment and reflects our commitment to excellence. Since our founding, Primary Bank has been dedicated to helping small and medium sized businesses, form, grow, expand, and transform. Our vision is to be the financial institution of choice for the southern NH business community.”

DepositAccounts.com evaluates the financial health of over 10,000 banks and credit unions in the United States once per quarter. To determine bank ranking and recognition, DepositAccounts.com grades each institution on a number of factors, including capitalization, deposit growth, and loan-to-reserve ratios.
