Planning for Our New Branch

Along with actively recruiting new team members and managing construction schedules, the past few months have been busy with logistics and space planning for our new

location. We've put together a list of [frequently asked questions](#) that we hope will be helpful. A few renderings of the new space are included as well, to give an idea of the layout and design. We are on schedule to open our new branch at 1662 Elm Street in Manchester by the end of 2018.

Small Business Partner - 110 Grill

We are excited to announce the opening of [110 Grill](#) at 875 Elm Street in Manchester. This growing restaurant group features seasonal menus and fresh ingredients in a comfortable, upscale-casual atmosphere. Each location showcases a signature open kitchen, horseshoe-shaped bar and outdoor patio with a fire pit. Open for lunch and dinner seven days a week, reservations can be made online and space for large parties is available. Stop in to taste their amazing fall menu!

Helping to Raise Awareness

Primary Bank employees donated \$500 to support our good friend and neighbor Ed Murphy, Store Director of Harvest Market in Bedford with his Real Men Wear Pink, American Cancer Society campaign. Ed and a group of community leaders are raising awareness and money to support the American Cancer Society's mission to save more lives from breast cancer.
