

Primary Bank Update - January 2019

Hello Friends of Primary Bank,

We are excited to announce the opening of our new Manchester location! The entire team has been working hard to get the doors open and branch operations up and running smoothly. Our new space is bright and modern with plenty of parking for our clients.

Please read our January update for news about

- Our new location at 1662 Elm Street in Manchester
- Bill Stone on why we chose Manchester for our new branch
- Bank of the Year Award from the CRDC
- Premium Savings Special to celebrate our grand opening
- Sending sensitive information through Facebook Messenger

Thanks for your support of Primary Bank and warm welcome to the Manchester Community.

A handwritten signature in black ink that reads 'Bill Stone'.

Bill Stone
President & CEO

Now Open in Manchester!

Primary Bank is excited to announce the opening of our new branch at [1662 Elm Street in Manchester](#). Our team is thrilled with their sunny new space and looking forward to working with the Manchester community! Stop by to see our new location and meet the team.

Members of our Manchester team include Erica Candage, AVP/Branch Manager; Jessica Cabinta, VP/Commercial Loan Officer; Kim Gray, Assistant Branch Manager and Rebecca Wragg, Senior Branch Service Associate. In addition to those pictured above, James Goodhue, VP/Commercial Loan Officer and Jacob Brahm, Branch Service Associate will be working out of the new Manchester location.

2018 Bank of the Year Award

The Capital Regional Development Council (CRDC) presented Primary Bank with its 2018 Bank of the Year Award. The award is based on highest dollar volume of lending of loans referred to CRDC in the fiscal year ending Sept. 30. CRDC is a non-profit regional development corporation that provides a variety of economic development services to businesses and local governments throughout New Hampshire. This is the third award the CRDC has presented to Primary Bank since our opening in July, 2015. Visit the [CRDC website](#) for award information.

Primary Bank's Dallas Lagerquist, VP/Business Development; CRDC Executive Director, Stephen Heavener; Bill Stone, President & CEO; James Goodhue, VP/Commercial Loan Officer and Joanne Connelly, VP/Commercial Loan Officer.

Cybersecurity Experts Warn Against

Sending Sensitive Info via Facebook Messenger

Cybersecurity experts are advising users against using Facebook Messenger to send sensitive information after revelations by The New York Times that [Facebook allowed large tech companies to access personal user data](#). One security expert told CBS News the report exposed Facebook's "systematic failures to protect customer data."
